

Oak Ridge School
Grade 6 School Supply List

Parents of Student entering Grade 6,

As your child prepares to return to school in September, it would be helpful if your child returned to school with the basic items listed below for Grade 6. Once school has started, individual subjects and/or teachers may require more specific supplies at which time teachers will notify parents. Please be sure to check that all items are Latex Free, as we have students with life threatening latex allergies. If you find purchasing these items presents a financial hardship, please contact the school at 508 833 0111, or your child's teacher.
